

Severe Weather Conditions

September 13, 2018

Due to Hurricane Florence, transit delays, limited operations and station closings may occur. Forward Air will continue to monitor the weather conditions and its impact on operations. Please see below for the most recent update of station/service operations in areas affected by the storm.

The following locations are still experiencing significant service restrictions at this time:

SERVICE RESTRICTIONS/CLOSINGS	
Terminal	Status – Service Area
CHS	Remains closed until further notice

The following locations are operational, but expect delays and some restrictions:
